

Week 29

This week again an old lace pattern from my mother's stock. On the cardboard it says to use thread nbr. 50. I used Anchor cordonet nbr. 40. You will need 13 pairs for it, 4 in the middle for the plaits, 4 for the little arch, and 5 for the straight edge.

[You can download the pdf file for the pattern in the correct size.](#)

Als this edging can be used to practice the 4-pairs crossing, the 3-pairs crossing and then when the workers from the arch go to the straight edge the 3-pairs crossings is worked in 2 halves.

Have fun this week.
